Company Information

Manufacturer of standard & custom alloy products including bars, wire products, metal sheet products, plates, fasteners, formed angles, tubular products & special products. Distributor of alloy materials including Hastelloy®, Inconel®, Monel®, Nitronic®, Ferralium®, Carpenter® 20 Cb-3®, Stellite®, cobalt L605, super stainless steel & pure nickel alloys. Products are available in bar, plate, sheet & wire forms. Bars are available in round, square, rectangular & flat shapes. In-house machining capabilities including turning, milling, drilling, boring, tapping, centerless, surface grinding, blanchard grinding, TIG welding & MIG welding. Services include fabricating, cutting, heat treating, rolling & forging & testing. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered. 24 hrs & same day shipping services are available.

**Sales:** \$10 - 24.9 Mil  
**Employees:** 10-49  
**Activities:** Distributor, Manufacturer, Custom Manufacturer, Manufacturers' Rep, Service Company  
**Year Company Founded:** 1984  
**Certification:** ISO 9001, ISO 9001:2000, RoHS Compliant

## Listing Information

- Abrasives: Cutting**  
Distributor of Nitronic® 30, Nitronic® 50, Nitronic® 60 & super alloys Inconel® 601, 625, 718, HX, Hastelloy® C-276, C-22® & Monel® 400, R405 & K-500. Abrasive cutting bars & plates.  
**Activities:** Service Company, Distributor  
**Web Link:** <http://www.hpalloy.com/>

---

- Alloy Conversion Services**  
Alloy conversion services including rolling, forging & finishing services. Alloy products including bars, wire products, metal sheet products, plates & fasteners. Send material for process, familiar with titanium, tantalum, zirconium & other difficult to process materials, such as Stellite & Waspaloy. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Custom Manufacturer

- Alloys**  
Manufacturer & distributor of alloys including corrosion resistant, wear resistant, high temperature & forgeable alloys. Corrosion resistant alloys are available in Hastelloy® C-276, Hastelloy® B-2, Hastelloy® C-22®, Nickel 200/201, Monel® 400, Monel® R-405, Monel®K-500, Inconel® 601, Inconel® 625, Ferralium® 255, Nitronic® 30, Nitronic® 50, Nitronic 60® & Carpenter®20 Cb-3® materials. Wear resistant alloys are available in cobalt 6B, cobalt 6BH, Nitronic 60®, Haynes® 25 & Inconel®625 materials. Forgeable alloys including Hastelloy®, Haynes®, Inconel®, Incoloy®, Monel®, nickel, cobalt & stainless alloys. High temperature alloys are available Hastelloy® X(HX), Inconel® 625, Inconel® 718, Inconel® 601, L605, Haynes® 25 & Nitronic 60® materials. ISO 9001 registered.

- Alloys: Abrasion Resistant**  
Distributor of abrasion resistant alloys including Ferralium®, Nitronic® 30 & cobalt 6B. Ferralium® alloys are used for pumps, valves, shafts & in down-hole, waste water, polycarbonate production, dematerialized water production & marine applications. Nitronic® 30 alloys are used for applications including coal buckets, hoppers, ore separators, barge liners, refrigerated trucks, food processing equipment, bulk solid handling equipment, sewage treatment structures, screens hoppers, trailer bedliners, chutes & truck/bus frames. Cobalt 6B alloys are used in pump applications for motor shafts, bushings, sleeves & stems. ISO 9001 registered.

- Alloys: Acid Resistant**  
Manufacturer & distributor of acid resistant alloys including Hastelloy® B-2, Hastelloy® C-22®, Carpenter® 20 Cb-3® & Haynes®. Hastelloy® alloys are resistant to different organic acids, sulfuric acids & non-oxidizing acids. Haynes® alloys are resistant to hydrochloric & nitric acid & used for springs, heart valves & gas turbine engine components. Carpenter® 20 Cb-3® alloys are resistant to chemicals containing chlorides, sulfuric, phosphoric & nitric acids & used for pickling tanks, gas scrubbers, heat exchangers, pumps, shafts & valves, synthetic rubber, pharmaceutical production & process equipment. Acid resistant alloys are used in different chemical processing applications. ISO 9001 registered.

- Alloys: Cobalt**  
Distributor of cobalt alloys including L605, cobalt 6B & cobalt 6BH. Cobalt alloys are seizing, galling & wear resistance. Available in bar dia. ranging from 1/2 in. to 6 in. Cobalt 6B alloys are used for turbine engine nozzle fuel injectors, steam turbine, motor shafts, bushings, sleeves & stems. Cobalt 6BH alloys are used for food processing equipment, saw blades, scrapper blades, granulates, chippers, shredders & non-critical applications including trimming knives, surgical blades, leather cutting knives, carpet cutting knives & tire cloth & rubber cutting knives. Cobalt 6B & 6BH alloys are FDA approved. ISO 9001 registered.

46. **Cobalt**  
Distributor of cobalt alloys including L605, cobalt 6B & 6BH. Cobalt alloys are seizing, galling & wear resistant. Cobalt 6B alloys are available in bar dia. ranging from 1/2 in. to 6 in. Cobalt 6B alloys are used for turbine engine nozzle fuel injectors, steam turbine, motor shafts, bushings, sleeves & stems. Cobalt 6BH alloys are used for food processing equipment, saw blades, scrapper blades, granulates, chippers, shredders & non-critical applications including trimming knives, surgical blades, leather cutting knives, carpet cutting knives & tire cloth & rubber cutting knives. Cobalt 6BH alloys are FDA approved. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer

158. **Rings: Rolled**  
Manufacturer of custom forged products including forged shafts, upsets, discs & blocks. Materials include Hastelloy® C-276, cobalt 6B, Nitronic® 50, Nitronic 60®, Ferralium® 255, nickel, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 718, Inconel® 601, Inconel® 625 & Inconel® 718. Forged shafts ranging from 1/2 in. to 6 in. dia. & lengths ranging from 36 in. to 36 foot. Discs from 22 in. dia. solid forgings. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/special.html>
- 
159. **Rings: Stainless Steel**  
Distributor & manufacturer of standard & custom special alloy products including rings. Materials include Nitronic® 50, Nitronic 60® & Ferralium® 255. Rings are available in different sizes & finishes. Services include fabrication, cutting, heat treating, rolling & forging, machining & testing. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/special.html>
- 
160. **Rods**  
Manufacturer of standard & custom alloy products including rods. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/bar.html>
- 
161. **Rods: Cobalt**  
Manufacturer of standard & custom alloy products including rods in cobalt, nickel, super stainless & stainless steel materials. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/bar.html>
- 
162. **Rods: Molybdenum**  
Custom manufacturer of rods including cobalt, molybdenum, nickel & nickel alloy rods. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/services/rolling.html>
- 
163. **Rods: Nickel & Nickel Alloy**  
Custom manufacturer of rods including cobalt, molybdenum, nickel & nickel alloy rods. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/services/rolling.html>

164. **Rods: Stainless Steel**  
Manufacturer & distributor of super stainless steel & super alloys. Super stainless materials include Nitronic® Grades 30, 40, 50 & 60, as well as Ferralium® 255. Most available in bar, plate & sheet. Offering wire products in Nitronic® 50 & 60. Super stainless materials have higher strength, better corrosion resistance or a combination of the two. Also cannot handle 300 or 400 series stainless. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/services/rolling.html>  
**Ranking Points:** National (4) State (0)
- 
165. **Rolls**  
Custom manufacturer of rolls including corrosion resistant & high temperature rolls. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/products.html>
- 
166. **Rolls: Corrosion Resistant**  
Custom manufacturer of rolls including corrosion resistant rolls. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/products.html>
- 
167. **Rolls: Forged**  
Manufacturer of custom forged products including forged shafts & rolls. Materials include Hastelloy® C-276, cobalt 6B, Nitronic® 50, Nitronic 60®, Ferralium® 255, nickel, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 718, Inconel® 601, Inconel® 625 & Inconel® 718. Forged shafts ranging from 1/2 in. to 6 in. dia. & lengths ranging from 36 in. to 36 foot. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/products.html>  
**Ranking Points:** National (2) State (0)
- 
168. **Rolls: Stainless Steel**  
Manufacturer of standard & custom alloy products including forged & rolled rolls in stainless steel material. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/products.html>
- 
169. **Rounds**  
Manufacturer of standard & custom alloy products. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/>
- 
170. **Rounds: Steel**  
Manufacturer of standard & custom alloy products. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/>
- 
171. **Screws: Nickel & Nickel Alloy**  
Custom manufacturer nickel & nickel alloy screws. Both imperial & metric types. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/>
- 
172. **Shafting**  
Manufacturer of standard & custom alloy products including shafting. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
173. **Shafting: Forged**  
Manufacturer of standard & custom forged products including forged shafting. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/forgeable.html>
- 
174. **Shafting: Nickel & Nickel Alloy**  
Custom manufacturer of shafting including forged shafting, nickel & nickel alloy shafting. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>

175. **Shafting: Steel**  
Manufacturer of standard & custom alloy products including shafting in alloy materials. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
176. **Shafts**  
Manufacturer of standard & custom alloy products including shafts for marine applications. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
177. **Shafts: Forged**  
Manufacturer of forged shafts with materials that include Hastelloy® C-276, cobalt 6B, Nitronic® 50, Nitronic 60®, Ferralium® 255, nickel, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 718, Inconel® 601, Inconel® 625 & Inconel® 718. Forged shafts ranging from 1/2 in. to 6 in. dia. & lengths ranging from 36 in. to 36 ft. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/forgeable.html>

178. **Shafts: Marine**  
Manufacturer of standard & custom alloy products including shafts for marine applications. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
179. **Shafts: Motor**  
Manufacturer of standard & custom shafts including motor, pump & turbine shafts. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
180. **Shafts: Propeller, Aircraft**  
Custom manufacturer of shafts including forged shafts, marine shafts, aircraft propeller shafts, stainless steel shafts & turbine shafts. Services include fabrication, laser & water cutting, welding, machining & testing. Machining capabilities include turning, milling, drilling, boring, tapping, centerless grinding, surface grinding & Blanchard grinding. Markets served include aerospace, chemical processing, oil & gas, medical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
181. **Shafts: Pump**  
Manufacturer of standard & custom shafts including motor, pump & turbine shafts. Alloy materials include Hastelloy®, Inconel®, Monel®, Nitronic®, cobalt 6B, Stellite® & cobalt L605. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
182. **Shafts: Stainless Steel**  
Manufacturer of standard & custom alloy products including material for shafts in stainless steel. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>

183. **Shafts: Turbine**  
Manufacturer of standard & custom shafts including motor, pump & turbine shafts. Alloy materials include Hastelloy®, Inconel®, Monel®, Nitronic®, cobalt 6B, Stellite® & cobalt L605. Shafts are available in different sizes & finishes. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/index.html>
- 
184. **Shapes**  
Manufacturer of standard & custom alloy shapes including rod, square, flat & strip alloy products. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/services/rolling.html>

185. **Sheets**  
Manufacturer of standard & custom alloy materials including sheets. Sheet materials include Hastelloy® C-276, cobalt 6B, Nitronic® 50, Nitronic 60®, Ferralium® 255, nickel 200/201, Monel® 400, Inconel® 600, Inconel® 601, Inconel® 625, Hastelloy® X & Inconel® 718. Sheets are available in sheet thicknesses ranging from 0.025 in. to 0.125 in. & sheet lengths ranging from 96 in. to 144 in. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/sheet.html>
- 
186. **Sheets: High Temperature Alloy**  
Manufacturer of standard & custom alloy material sheets including high temperature alloy sheets. High temperature alloy materials include Hastelloy® X(HX), Inconel® 625, Inconel® 718, Inconel® 601, Incoloy® 800H & Nitronic 60®. Sheets are available in sheet thicknesses ranging from 0.025 in. to 0.125 in. & sheet lengths ranging from 96 in. to 144 in. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/sheet.html>
- 
187. **Sheets: Nickel & Nickel Alloy**  
Distributor of nickel & nickel alloys including heat resistant & corrosion alloys. Available in bar, plate, sheet & wire. Materials include Hastelloy® C-276, Ferralium® 255, nickel 200/201, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 601, Inconel® 625 & Inconel® 718. Cold rolled sheets from 0.018 to 0.25 in. thick & from 36 to 48 in. wide, & 96 to 144 in. lengths. Custom lengths are available from coil product. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/sheet.html>  
**Ranking Points:** National (1) State (0)

189. **Sheets: Stainless Steel**  
Manufacturer of standard & custom sheets in materials including nickel chromium & super stainless steel. Sheets are available in thicknesses ranging from 0.025 in. to 0.125 in. & lengths ranging from 96 in. to 144 in. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/sheet.html>
- 
190. **Sleeves**  
Manufacturer of standard & custom forged products including forged sleeves. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/forgeable.html>
- 
191. **Sleeves: Forged**  
Manufacturer of standard & custom forged products including forged sleeves. Bar, sheet & plate forms stocked. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/forgeable.html>
- 
192. **Steel**  
Distributor of alloys including aircraft applications. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer

194. **Steel Strip: Stainless**  
Distributor of sheets & strips including stainless steel sheets & strips. Sheets are available in thicknesses ranging from 0.025 in. to 0.125 in. & lengths ranging from 96 in. to 144 in. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/products/sheet.html>

195. **Steel: Abrasion Resistant**  
Custom manufacturer of abrasion resistant steel products. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including NITRONIC 30, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
196. **Steel: Aircraft**  
Distributor of alloys for aircraft applications. Bar, sheet & plate forms. Full pieces, cuts & everything in between. Materials including Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy® C-276, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
197. **Steel: Alloy**  
Distributor of alloys including stainless steel, nickel & cobalt alloys. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
198. **Steel: Bar**  
Manufacturer of standard & custom bar products. Types including cold reduced bars & forged bars. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
199. **Steel: Chromium Nickel Molybdenum**  
Distributor of alloys including chromium nickel molybdenum containing alloys. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
200. **Steel: Cobalt**  
Distributor of alloys including cobalt based super alloys. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
201. **Steel: Corrosion Resistant**  
Distributor of steel alloys including heat resistant & corrosion resistant steel alloys. Steel alloys are available in bar, plate, sheet & wire. Manufacturer of custom forged products including forged shafts, upsets & blocks. Materials include Hastelloy® C-276, cobalt 6B, Nitronic® 50, Nitronic 60®, Ferralium® 255, nickel, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 718, Inconel® 601, Inconel® 625 & Inconel® 718. Forged shafts ranging from 1/2 in. to 6 in. dia. & lengths ranging from 36 in. to 36 ft. Discs from 22 in. dia. solid forgings. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/corrosionResistant.html>  
**Ranking Points:** National (1) State (0)
- 
202. **Steel: Heat Resistant**  
Distributor of alloys including heat resistant & corrosion resistant alloys. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
203. **Steel: High Strength**  
Distributor of high strength, high temperature & high tensile alloys. Alloys are available in bar, plate, sheet & wire types. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
204. **Steel: High Temperature**  
Manufacturer & distributor of alloys including high temperature alloys. Types include Hastelloy®, Inconel®, Nitronic 60® & Haynes®. Inconel® available as alloy 625, alloy 718, alloy 600, alloy 601 & alloy 800 HT. Applications include gas turbines, fuel nozzles, heat treating fixtures & furnace muffles. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>  
**Ranking Points:** National (1) State (0)
- 
205. **Steel: High Tensile**  
Distributor of steel alloys including high strength alloys. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
206. **Steel: Hot Rolled**  
Distributor of materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>

207. **Steel: Molybdenum**  
Distributor of materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
208. **Steel: Molybdenum-Tungsten, High Speed**  
Distributor of materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
209. **Steel: Nickel**  
Distributor of materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
210. **Steel: Nickel Chromium**  
Distributor of materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. Markets served include petrochemical, pharmaceutical, aerospace, military, nuclear, electronics, marine, chemical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
211. **Steel: Stainless**  
Manufacturer & distributor of super stainless steel & super alloys. Super stainless materials include Nitronic® Grades 30, 40, 50 & 60, as well as Ferralium® 255. Most available in bar, plate & sheet. Offering wire products in Nitronic® 50 & 60. Super stainless materials have higher strength, better corrosion resistance or a combination of the two. Also cannot handle 300 or 400 series stainless. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer

212. **Steel: Vacuum Melted**  
Distributor of steel alloys including hot rolled & vacuum melted steel alloys. Materials include Cobalt 6B, L605, Inconel® 600, Inconel® 601, Inconel® 625 & Inconel® 718. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/allAlloys.html>
- 
213. **Strips: High Temperature Alloy**  
Manufacturer of standard & custom strips including high temperature alloy strips. Materials include Nitronic® 60, L605, Hastelloy® C-276, Hastelloy® X, Nickel 200/201, Monel® 400, Monel® K-500, Inconel® 600, Inconel® 601, Inconel® 625 & Inconel® 718. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/alloys/highTemperature.html>
- 
214. **Strips: Nickel & Nickel Alloy**  
Custom manufacturer of strips. Materials include Nitronic® 50 & Nitronic® 60, Hastelloy® C-276, Hastelloy® X, Nickel 200/201, Monel® 400, Inconel® 600, Inconel® 601, Inconel® 625 & Inconel® 718. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor, Custom Manufacturer  
**Web Link:** <http://www.hpalloy.com/>
- 
215. **Strips: Stainless Steel**  
Manufacturer of standard & custom strips in stainless steel material. Materials include Nitronic® 50 & Nitronic® 60, Hastelloy® C-276, Hastelloy® X, Nickel 200/201, Monel® 400, Inconel® 600, Inconel® 601, Inconel® 625 & Inconel® 718. ISO 9001 registered.

225. **Wire: Molybdenum**  
Custom manufacturer of alloy products including cobalt base alloy wire, molybdenum wire, nickel & nickel alloy wire, nickel chromium wire, nickel copper wire & stainless steel wire. Wires are available in dia. ranging from 0.001 in. to 0.125 in. Services include fabrication, laser & water cutting, welding, machining & testing. Machining capabilities include turning, milling, drilling, boring, tapping, centerless grinding, surface grinding & blanchard grinding. Markets served include aerospace, chemical processing, oil & gas, medical & food processing industries. ISO 9001 registered.  
**Activities:** Manufacturer, Service Company, Distributor  
**Web Link:** <http://www.hpalloy.com/products/wire.html>
- 
226. **Wire: Nickel & Nickel Alloy**  
Custom manufacturer of alloy products including nickel & nickel alloy wire, nickel chromium wire, nickel copper wire & stainless steel wire. Wires are available in dia. ranging from 0.005 in. to 0.125 in. Materials including Hastelloy® C-276, Nitronic® 50, Nitronic 60®, Nickel 200, L605, Cobalt 6B, Monel® 400, Inconel® 600, Inconel® 601, Hastelloy X, Inconel® 625 & Inconel® 718. ISO 9001 registered.
